...

Dear Metropolitan Water District Board of Directors -

Respectfully.

As an over six decade Californian & a taxpaying, voting Rural American—please:

- . Honor & ensure the—PUBLIC—remains a priority in your current public servant employee job description's duties and responsibilities to resource management.
- . Do NOT place PRIVATE industries', shareholders' & lobbyists' profits, gains, advancements & interests—before PUBLIC—lives, livelihoods, environments & ecosystems.
- . Uphold the health, safety, civic-civil-human rights of OUR RURAL infant-through-elder communities.
- . Uphold OUR equal—human, farm-range & wildlife animal rights to—clean air, (fresh, ground, drinking) water & soils.
- . Save BILLIONS of OUR taxpayers dollars from consequences of REAL lives lost by poisoned water & soils, healthcare costs & lawsuits, clean-up & restoration.
- . Earthquakes in the central valley are NOT normal.
- . Massive volumes of water used in fracking is a HUGE waste of OUR resources.
- . Rural Lives Matter.

Please.

Vote NO on the Delta Tunnel.

With appreciation for your time and thoughtful consideration of this far reaching concern.  
Every good intention - Rita
